

IBM
Smarter Planet
University **Jam**

A Smarter Planet will be **instrumented, interconnected, and intelligent**. People want it -- **you** can make it a reality.

To get there, innovative ideas and new approaches are required. Take the challenge; help transform the way the world works.

An invitation to collaborate!

Beginning **April 21st**, IBM will convene a **72-hour global online conversation** (called a "Jam") with *faculty, students, IBM business leaders and technologists, and industry partners* from across the globe on how technology and business can help build a Smarter Planet in areas such as:

- **Smart Cities**
- **Smart Carbon & Water Management**
- **Smart Grid**
- **Smarter Healthcare**
- **Skills & Education**

Remember, April 22nd is Earth Day. Take time out to interact, learn, share ... see you in the Jam!
